RESIDENCE LIFE

Aside from providing students with a safe and affordable place to live close to their classes and campus amenities, HBU's on-campus residences make acclimating to college life easy. They put students together in one place, making it easy to form new friendships, get involved in different events and organizations, and take part in study groups. They also help students to grow spiritually, develop interpersonal skills, learn about diverse cultures and become more self-disciplined, all while in a community of friends, peers and mentors.

At HBU, we realize that not all students want the same thing when it comes to housing, so we offer a variety of different options, from residence colleges to student apartments to living-learning communities.

Because of HBU's commitment to the residential experience, students are required to live on campus unless one or more of the following exceptions apply:

- Students who have completed 64 credits prior to the beginning of the semester entering
- Married Students
- Graduate Students

- Part-time Students
- Students living at home with parents/legal guardian
- 21 years of age or older prior to September 1

ALL STUDENTS MUST COMPLETE A HOUSING APPLICATION AFTER SUBMITTING THEIR DEPOSIT. STUDENTS WHO MEET THESE CRITERIA AND DESIRE TO LIVE OFF CAMPUS MUST SUBMIT AN OFF-CAMPUS HOUSING PETITION.

The benefits of residing on campus are abundant, and research shows that students who live on campus have a more productive and ultimately more satisfying college experience. That is why, at HBU, you will find a campus that is also a thriving community—one that fosters collaboration, friendship and spiritual development.

FOR MORE INFORMATION VISIT [HBU.EDU/HOUSING](https://www.hbu.edu/housing)

COMMUTER LOUNGE

At HBU, over 55% of our student body is made up of commuter students. We understand that commuter students may face unique challenges on a daily basis that an on-campus resident may not. That is the inspiration behind the Commuter Life Program!

The Commuter Life team is dedicated to providing commuter students with resources to make them feel right at home while on campus. One way we do this is by providing a space that is 100% dedicated to commuters- The Collegium. This space is designed to feel like a home away from home, complete with a full sized fridge, microwave, Keurig, lockers, TV and a separate quiet study space. It is the perfect retreat for before, between and after classes.

The Collegium is located in the Brown Student Center, right above the Chick-Fil-A. The space is open and free for any commuters to use Monday- Friday from 7 A.M. to 7 P.M.
