

HOUSTON CHRISTIAN UNIVERSITY

Christianity & Culture Conference The Family: Past & Future

Eugenio Zampighi, *Playing with Baby*

The inaugural Christianity and Culture Conference at Houston Christian University (formerly Houston Baptist University) will explore the importance of the family in the Western Tradition, analyzing meanings, representations, and roles attached to the family. This cross-disciplinary conference will consider from a Christian perspective the significance of the family in literature, philosophy, history, science, art, and religion.
