## Current Job-Searching Tips

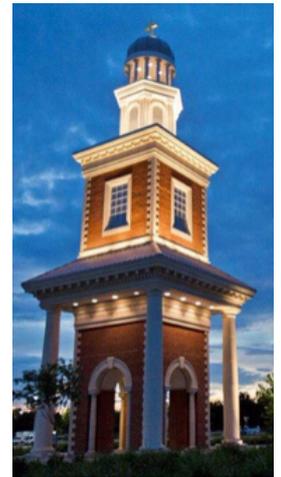

### WHERE ARE THE JOBS?

- Yes, there are still jobs out there despite what you may hear on the news or from others. It's necessary to get a little more creative with the way you search.
- **Networking** is still the most successful way people find jobs, so make a list of AT LEAST ten people to reconnect with to let them know you're looking. Enlisting others to help you and will give you searching ideas and confidence.
- Expand your search to different types of jobs or industries.
- Update your LinkedIn account and use it to connect.
- The Governor of Texas was recently asked about jobs in the state this week, check out this [LINK](#)
- Explore YOUR new online resource: **Handshake**.

### HANDSHAKE (aka the new "Hire-A-Husky")

- You can now search jobs, post your resume, and make online appointments in your new online platform: **Handshake**.
- Go to the HBU Portal and click on the Career & Calling "bullhorn"
- **Handshake** is replacing "Hire-A-Husky" as your new job searching and resume posting platform for HBU students and alumni
- You'll have access to nationwide jobs from approved employers, be able to make online appointments, and much, much more!
