THE CAREER AND CALLING NEWSLETTER FROM HBU

## December is here, already!?!

### Community Internship Program

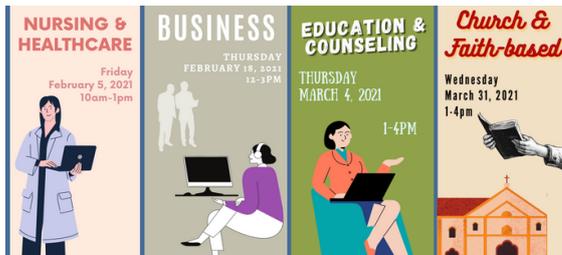

Internships are a way to learn more about your field of study and determining the area you would like to work after graduation. Internships also "teach students how to act and perform in a professional environment," says Penny Loretto in "8 Mistakes to Avoid While Doing an Internship." Her article suggests that "an internship is one of the first things employers look for on a resume." To find out more *Do's and Don'ts* check out:

#### Zephaniah 3:17 (ESV)

The Lord your God is in your midst, a mighty one who will save;

He will quiet you by His love;  
He will exult over you with loud singing.
