

TRIO Student Support Services **TRIO Intern Student Leader Position**

Purpose of Job

TRIO Student Support Services Interns are current TRIO participants who utilize their knowledge of the program to support staff and students. They engage in workshops, public speaking, and one-on-one experiences to assist other participants navigate the college experience.

Job Description

Interns will:

- Speak at club meetings and classes about the TRIO program and their experiences
- Represent TRIO during college recruiting events
- Assist the staff during TRIO events, activities, and trips
- Participate in leadership development
- Provide one-on-one financial coaching for TRIO participants
- Assist participants with financial goal setting, budgeting, credit building/rebuilding, debt repayment, savings, utilization for quality financial services, and asset development
- Monitor participant progress toward financial goals
- Bring a cooperative, enthusiastic and professional attitude to all TRIO activities

Special Skills Required: TRIO Interns are TRIO participants interested in enhancing their public speaking and interpersonal skills. TRIO Interns can participate in as many or as few events/panels as their schedule will allow (pending minimum requirements). Interested students should also be looking to develop critical leadership skills.

Other: Student must be reliable, trustworthy, and show initiative and discernment.

Interview Process

The individual thirty-minute interview is a time for information gathering and evaluation of each student. The interview will give applicants the opportunity to share about themselves and their knowledge of the TRIO program. We give candidates a timely, streamlined, and organized interview process as well as provide clarity on the commitment they would be making to the position.
