

Access to HBU's Academic Computer Systems

Welcome to Houston Baptist University!

Once you register for classes at huskynet.hbu.edu you will have access to all systems within 24 hours.

Step 1: Determine Username

Go to <http://www.hbu.edu/username>

Log in to determine your username and reset desired passwords (network or HuskyNet) as needed.

- Under the Network and my.hbu.edu section, please take note of your **username**.
- Scroll down to reset your Network or HuskyNet Passwords as desired

Step 2: Log on to My.hbu.edu – Must have pops up enabled and Java installed to access all listed programs.

Once you log in you will be provided access to the following HBU Academic Computer Systems:

HuskyNet - username is **HuskyNet User ID number** with **HuskyNet PIN** (edit preferences to update password when changed for future access without putting in credentials at my.hbu.edu)

- Register for and add/drop classes
- View academic status, class schedules, grades, and non-official transcripts
- View financial account information and accept/decline financial aid awards
- Update personal contact information
- Email – Click on the world icon to access your email. If you have trouble getting into the portal go to mail.hbu.edu and log in with your network username and password
